We are happy to announce the coming show of new works by DIDIER VERMEIREN Saturday February 2nd, 2002.

We represent Didier Vermeiren since his first show in 1976 and we had the pleasure of showing him again in 1981 and 1988. This is therefore our 4th show with the artist.

We will present a completely new series of six works, 'Solides Plastiques', expressly made for our gallery.

As we know your interest for the work of this artist, we are pleased to invite you at the opening saturday February 2nd, 2002 and to the following dinner.

Please contact us for any further information or logistic problems.

With our kindest regards
